AIR PURIFIER-a breath of fresh air

TKJ-F260A

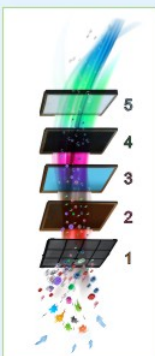

TKJ-F280A

Model Number	TKJ-F260A					TKJ-F280A				
Power Supply	AC220-240V 50-60Hz					AC220-240V 50-60Hz				
Effective Area (m ²)	60					70				
Air Flow Rate	Air Flow	Max	High	Medium	Silent	Max	High	Medium	Silent	
	Clean Air Mode(m ³ /h)	260	200	150	100	280	220	160	110	
Power Consumption	Air Flow	Max	High	Medium	Silent	Max	High	Medium	Silent	
	Clean Air Mode(W)	48	42	35	30	56	50	42	35	
Noise Level	Air Flow	Max	High	Medium	Silent	Max	High	Medium	Silent	
	Clean Air Mode(dB)	50	42	35	18	50	42	35	18	
Remote Control	NO					YES				
Sensors	Odor and Dust					Odor and Dust				
Power Cord (m)	1.8					1.8				
Dimension(mm)	H618xW338xD188					H645xW338xD188				
Weight (kg)	6.6					6.8				

Specifications correct at time of print but subject to change for better customer satisfaction.

Five-stage filtration system

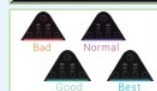

Patented Titanium Air Purifying Technology

HEPA Dust Removal Rate 99.97%

Automatic air monitoring

Touch button

LED four-color display

Lowest noise

Filter replacement alert

Remote control
