

# TCL

## PORTABLE AIR CON

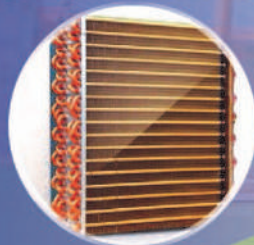

Patented and exclusive TITANGOLD nano technology brings you higher efficiency and more cost-saving air-conditioning!

Faster Evaporation = Faster Cooling  
And No Water Drainage Headache

Higher Efficiency = Cost Saving

Long Durability = Good Value For Money

The TCL titanium gold condenser is highly anti-corrosive and hydrophilic. Coupled with patented fogging technology, the evaporation efficiency is much better than any other traditional condensers. Also, the hydrophilicity advantage is known to enhance air purifying and self-cleaning.
